EXTENDED AREA SERVICE (EAS)

General Telephone Information

What is an Extended Area Service (EAS) call?

Extended Area Service (EAS) refers to all local calls. Local calls are calls that you can make, free of charge, by dialing a 7-digit number to predetermined areas near your home.

Monthly charges for EAS may be applicable and will be billed as a separate line item. This fee is not included in your local service fee and the amount will vary by community.
